Community-building activities	2,000	0
Community benefit operations	0	0
Total quantifiable benefits for the broader community	6,126,000	7,780,000
Total quantifiable community benefits	10,381,000	12,900,000
Total Expenses	144,266,967	149,078,635
Percentage of Expenses	7.2%	8.7%

* This category represents those community benefit activities that are undertaken by Good Shepherd employees. They include the hosting of community health screenings and educational sessions, educational opportunities for aspiring healthcare professionals and community building activities.

When calculating the benefits that it provides to the community, Good Shepherd conforms to the conservative standards set by the Catholic Health Association (CHA). For more information on the CHA standards, visit www.chausa.org.
