Research	-	-
Financial and in-kind contributions to other community groups	-	-
Community-building activities	2,000	2,000
Community benefit operations	-	-
Total quantifiable benefits for the broader community	3,963,000	6,126,000
Total quantifiable community benefits	7,340,000	10,381,000
Total Expenses	\$142,327,000	144,267,000
Percentage of Expenses	5.2%	7.2%

* This category represents those community benefit activities that are undertaken by Good Shepherd employees. They include the hosting of community health screenings and educational sessions, educational opportunities for aspiring healthcare professionals and community building activities.

When calculating the benefits that it provides to the community, Good Shepherd conforms to the conservative standards set by the Catholic Health Association (CHA). For more information on the CHA standards, visit www.chausa.org.
